

Western Digital to Host Innovation Day 2026 in New York City

January 20, 2026

SAN JOSE, Calif.--(BUSINESS WIRE)--Jan. 20, 2026-- Western Digital Corporation (Nasdaq: WDC) today announced that it will hold its Innovation Day event on February 3 in New York. At the event, the company will highlight key innovations designed to support the growing demand for data storage by our customers in the AI-driven data economy.

Event Date: Tuesday, February 3, 2026

Event Time: 9:30 a.m. – 11:30 a.m. ET

More Information & Webcast Link: investor.wdc.com

The event will be available as a live webcast, accessible through Western Digital's Investor Relations website at investor.wdc.com. Archived replays will be accessible through the website after the conclusion of the event.

About Western Digital

At Western Digital, our vision is to unleash the power and value of data. For decades, we have been at the forefront of storage innovation, which fuels our mission to be the market leader in data storage, delivering solutions for now and the future. We are committed to providing scalable, sustainable technology for the world's hyperscalers, enterprises, and cloud providers, and delivering cutting-edge innovation that will drive the next generation of AI-driven data workloads. All that we do is powered by our people, who are united in a common purpose of creating solutions that move the world forward.
