SUPPLEMENT DATED NOVEMBER 18, 2026
TO THE PROXY STATEMENT FOR THE
ANNUAL MEETING OF WESTERN DIGITAL CORPORATION
TO BE HELD NOVEMBER 20, 2026

Explanatory Note

This supplement (this "Supplement") to the Proxy Statement dated October 5, 2026 (the "Proxy Statement") for the 2026 Annual Meeting of Stockholders (the "Annual Meeting") of Western Digital Corporation updates the Proxy Statement as described below to present the calculation of net cash, a financial measure not in accordance with U.S. generally accepted accounting principles ("GAAP"), and reconcile it to cash and cash equivalents, the comparable GAAP financial measure.

This Supplement should be read in conjunction with the Proxy Statement. Except as specifically amended by this Supplement, all information in the Proxy Statement remains unchanged.

Reference to "Net Cash" in the Proxy Statement

The reference to "net cash" on page 6 of the Proxy Statement is revised and replaced as follows:

Cash and cash equivalents of $1.579B, resulting in $527M Net Cash(1)

Reduced Debt for Net Cash Positive Position

(1) Net cash is a non-GAAP financial measure that we use as an important indicator of liquidity and financial position. We calculate net cash as follows: cash and cash equivalents ($1.579 billion at the end of fiscal year 2026) less current debt ($1.052 billion at the end of fiscal year 2026).
