HGST, a Western Digital® Company Announces Livestream Briefing

SAN JOSE, Calif., Aug. 26, 2014 /PRNewswire/ -- [HGST](#), a Western Digital company (NASDAQ: WDC), will conduct a strategy briefing on Tuesday, September 9, 2014 beginning at 9 a.m. PT. The event will be available for viewing via Livestream.

Mike Cordano, president of HGST, and other HGST executives, will articulate the company's strategy and vision in the evolving data-driven economy, and how HGST is positioned to take advantage of the increasingly greater value proposition made possible by its acquisitions, its newly expanded solutions and product portfolio, and the growing data center market opportunities.

What: HGST Press & Industry Analyst Briefing

When: September 9, 2014, 9 am -11:00 am Pacific Time

Where to view the broadcast: www.hgst.com/social

Live Event Q&A: Text 22333 with a message using the keyword "HGST" followed by your question, or submit your query at PollEv.com/hgst. Standard data charges may apply.

A replay of the event will be available on Wednesday, September 10 by visiting www.hgst.com/social.
